Introducing:

Stephanie Pauline Ministries' name has been officially changed to More than Music Inc. and is now its own 501c3 non profit instead of just being an auxiliary of another non profit. It's an exciting time of growth for More than Music!!!

More than Music is a non profit organization. Founded and directed by Stephanie Pauline it consists currently of a small band of volunteers, supporters, and workers that seek to facilitate the art and work that God has entrusted to Stephanie. The future goals, however, are set to extend far beyond just the creative inklings of one woman. We are excited to watch it all evolve and develop over time.

The Vision: To impact and ultimately revolutionize the culture at large, one heart at a time, through the means of music, money, ministry, and multimedia until EVERY one on earth knows and lives the love that is in Christ Jesus.

The Vision in its Application: By God's grace, we will faithfully deliver the music, the messages, and the love God has given to us through concerts, speaking engagements, publishing, and our every-day interactions. We will pay all employees an average-wage salary and all the excess money will be filtered into partner non profits and back into the further development of More than Music, Inc. We will strive to keep God and our families first and to live above reproach.

Meet the board:

Stephanie Pauline (President)

...Is the steward through whom God has chosen to birth this ministry. Having long since been burdened by this vision she has seen it through many years of struggle and growth. She has a certificate in ministry through Berean University and has written over three hundred songs. A prolific writer, singer, speaker and artist she has recorded three CDs and by God's Spirit's leading has been the driving force behind this entire endeavor.

Nathan Groninger (Vice President)

...Is not only Stephanie's faithful and supportive husband but also shares Stephanie's longing to provide for struggling ministries and to perpetuate the resources God brings. In time he hopes to do his share to fulfill the great commission by starting for-profit businesses and then funneling the vast majority of the funds to social evangelism and world relief efforts, much like one aspect of the vision of M.T.M. For now God has led him to support Stephanie's ministry. Because of his faithful provision, Stephanie has been able to bypass her salary from M.T.M. thereby enabling more money to be available strictly for ministry. This will clearly demonstrate to all outside observers that she does what she does out of a pure heart. Nathan has a Master's degree in Business Administration (UCCS) and a B.A. in Psychology (Bartlesville Wesleyan University).

Genevieve Moelling (Treasurer)

...Has truly been Stephanie's right arm for the last few years. As the music and ministry has progressed Genny, (Stephanie's mother), has been a tremendous support and encouragement. She has been in charge of keeping record of donations, receipts, and the sending out of the newsletter since the very beginning. She has been a believer in Jesus Christ since the age of 9 and is pleased to work with More Than Music, Inc. to see the hand of God move among people through Stephanie. Genny has a B.A. in Personnel Management. She has worked for more than 30 years in Human Resources and Human Resource Software Development. Part of that time she worked on her own as an HRIS Consultant. Genny and her husband reside in Farmington, MN. They are faithful servants at Berean Baptist Church in Burnsville, MN. Throughout the years they have consistently been faithful in supporting various missionaries and mission groups.

Jennifer Swanson (Secretary)

...Holds a B.A. in Physics and Mathematics (St. Olaf College) and an M.S. in Geophysics (Colorado School of Mines). She is the owner of Jennifer Swanson Professional Organizing, simplifying lives through private consulting and public speaking. Jennifer Swanson is a member of the National Association of Professional Organizers (NAPO) and the Minnesota Chapter of NAPO. Jennifer first met Stephanie in elementary school in Minneapolis. They were reunited in 2002 as a result of Stephanie's first 3-song demo CD. "I believe in Stephanie, her music, and the Lord she serves," says Jennifer. "I'm thrilled and honored to be part of this new ministry and look forward to watching God continue to work through More Than Music, Inc." Jennifer has been a great asset to More than Music already, as her obvious propensity towards order, and her heart to serve, has caused her to be the perfect fit for the position of Secretary.

Barry Jass (Consultant)

...Has been an invaluable part of this ministry from its conception. When More than Music, Inc. was called Stephanie Pauline Ministries, it was technically the auxiliary of Cornerstone Community Center (Oakdale, MN.) the church Barry founded of which he is the Senior Pastor. He has a B.A. in Church History and Bible (Bethel) and a M.S. in Non Profit Management (Hamline University). He served as an Associate Pastor at Woodland Hills for 6 years, was involved in helping that church grow from 300 to 3000, years before starting Cornerstone in 2000. He has five children and lives with His wife, Cheryl, in Shoreview, MN. He believes in the power of music and that it can be powerfully used by the Spirit of God to heal people. He says, "I believe God has placed His hand on Stephanie and I look forward to seeing how God will lead her and the ministry into the future." Having served as a "consultant" for Stephanie in varying degrees for years, his being a part of the board seemed a natural extension of that.
