PRESENTS

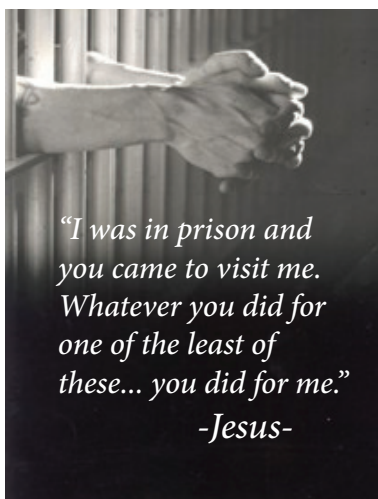

LAST YEAR, Southern Colorado's Youth For Christ community partners worked with 997 individual incarcerated and hospitalized young people and made over 5,443 face-to-face contacts

Did you know...80% of juvenile offenders are from fatherless homes. 55% have been abused and/or neglected as children.

Your commitment as a Sponsor will directly enable YFC staff and volunteers to reach these young people and offer them the support that they need. This is one of the greatest gifts you can give: the transformation of a young life...the gift of...
